- A service we highly recommend especially when arriving at Florence's Peretola airport.
- On arrival at the airport or train station, avoid standing in a taxi queue and book your driver beforehand; prices are comparable with taxis.
- Sometimes taxi drivers at Florence airport or train station are unfamiliar with the narrow streets and one-way systems in Prato's historic centre, finding it difficult to drop you directly at your accommodation.
- The driver will be waiting for you in the arrivals hall or at the beginning of the train platform. Look for the sign with your name.
- No supplement to pay for luggage
- Payment directly to the driver with POS, VISA, Mastercard or Bancomat.  
NOT ACCEPTED: American Express or Diners cards.
- The drivers try to keep track of incoming flight or train arrivals, but should there be a delay or change of schedule, text them a message or send an email.
- The drivers speak English
